Has your child joined the 2014 Premiers' Reading Challenge?

The Premiers' Reading Challenge encourages children to read a set number of books over the year and record their efforts online. It’s a great way to get young people talking about reading with their friends and pushing themselves to read as many book as they can.

Lachlan the Reading Dog is the 2014 Victorian Premiers’ Reading Challenge mascot. He is a loveable smooth collie, a bit like the movie star Lassie, but without the fluffy coat. He is a pedigree smooth collie who didn't become a show dog, like his parents, because his ears prick up instead of flopping over at the tip. No matter how hard he tried, his ears would not sit down! But this makes Lachlan the perfect reading dog - his ears stand up because he's always listening for the next story!

Who is listening to you read at home?
How many books have you read for the challenge?
C'mon, meet the challenge and get reading.

It's a well researched fact that young children who are read to every day do better at school. SO, get reading.

Ensure your child is at school every day. Remember: Every Day Counts and every minute in the classroom counts. Arrive by 9 for optimal learning time. No excuses.

Well done to our senior students on their fabulous art work.

Keep an eye out for all the fabulous art work currently underway for our Arts Expo in term 3.

On Friday 16th May, Coral Park senior students travelled to River Gum primary to play football, badminton, netball, softball and kickball. The netball teams won both their games and the badminton teams played a total of 35 games and had lots of practice and fun. In kickball we won one game and lost the other in a close finish. The softball teams also had a successful morning drawing one game and losing the second game by two runs. The football team had wonderful conditions for the game and played well. It was good to see all players wearing their mouth guards which are now mandatory for all AFL players.

On Friday 23rd May we will be hosting Lynbrook here at Coral Park for our sports morning, parents and visitors are welcome to come along and cheer on the students.

**National Reconciliation Week 2014:**

27 May - 3 June

- **Let’s Walk the Talk**

National Reconciliation Week is an annual celebration and is a time for all Australians to reflect on our shared histories, and on the contributions and achievements of Aboriginal and Torres Strait Islander Peoples. The week is framed by two key events in Australia’s history that provide strong symbols of the aspirations for reconciliation.

May 27 marks the anniversary of Australia’s most successful referendum and a defining event in our nation’s history. The 1967 Referendum saw over 90 per cent of Australians vote to give the Commonwealth the power to make laws for Aboriginal and Torres Strait Islander Peoples and recognise them in the national census. During 2014 the government will continue to work to build support for a referendum to recognise Australia’s First Peoples in the Constitution and to remove the document’s remaining racist sections – see www.recognise.org.au for more information.

June 3 is Mabo Day - On this day in 1992, the High Court of Australia delivered its landmark Mabo decision which overturned the notion of ‘terra nullius’ and legally recognised Aboriginal and Torres Strait Islander Peoples’ connection to their country, a connection that existed prior to colonisation and continues today. This recognition paved the way for the Native Title system.

**STREET TREE RENEWAL PROJECT**

The City of Casey Council will be undertaking a street renewal project in the area over Autumn, Winter and Spring season 2014. Any trees that are under performing, dead, diseased, damaged will be removed. These works should not interfere with any day to day activities outside your property. If you have any queries please contact Clare Hart, Council’s Team Leader for Trees on 9705 5200.

**Handwashing**

**HOW TO WASH HANDS**

- Use liquid soap and running water
- Wash your hands thoroughly while counting slowly from 1 to 10
- Rinse your hands while slowly counting from 1 to 10
- Turn off the tap with paper towel
- Dry hands well with new paper towel

**WHEN TO WASH HANDS**

- On arrival (this reduces new germs being introduced to the centre)
- Before handling food, including a baby’s bottle
- Before eating
- Before and after changing a nappy
- After removing gloves
- After going to the bathroom
- After cleaning up blood, faeces or vomit
- After wiping a nose
- After giving medication
- After handling garbage
- After playing outside
- Before going home (this prevents taking germs home)

WASHING AND RINING YOUR HANDS SHOULD TAKE ABOUT AS LONG AS SINGING “HAPPY BIRTHDAY” TWICE.
All students are expected to wear school colours each and everyday.

Is your child wearing their school colours everyday? A number of students are coming to school daily wearing the wrong colours. Second hand jumpers are available from Linda, send your child with $2 and she will help them choose the right size. Ensure your child is in the correct school colours each day.
