"It's COOL to be school!"

Earn bonus house points by:
Handing in completed homework, regular attendance, helping others, tying shoelaces, wearing your hat, arriving on time + many more ways.

House Points Tally

Week 8

CREDIT TO ALL PUBLISHERS AND COPYRIGHT OWNERS.
At Coral Park we encourage good spelling as part of our Literacy programs throughout all levels. Every year the Senior school runs a spelling bee, where students have an opportunity to practise their spelling skills against their peers. We begin in individual classrooms where the top yr. 5 and yr. 6 spellers are chosen. These students then compete against all other senior winners until two yr. 5 and two yr. 6 finalists remain. These students then compete at the annual regional VicSpell competition. This year the competition was held at Cranbourne Park Primary School on the 13th of August where our finalists, Hadi, Jorja and Jastehana competed with other yr. 5 and yr. 6 students from local district primary schools. Our three Coral Park stars represented our school proudly and confidently to finish 7th, 6th and 5th respectively out of approximately 60 competitors, a noteworthy achievement.

CONGRATULATIONS HADI (S11), JORJA (S13) and JASTEHANA (S14)

The Year 1s and 2s have been learning about transport. We have predicted what transport in the future might look like. Come and see the models of our futuristic transport on display in the MPC during the last week of term (Monday 16—Friday 20). The display will be open before and after school. You will be amazed at the flying cars, floating buses and much more!!!!

AFTER SCHOOL ACTIVITIES TERM 3 and 4

Homework Club—join Linda and Tony in the library each Wednesday 3:30 to 4:15pm. Get some help with your homework or use the computers to complete your homework. Don’t forget, all homework is due each Monday.

Have any of your contact details changed? Home phone? Mobile phone? Or Emergency contacts for your children? Please ensure you keep these details updated at the office regularly.
**Thank you to Suneth, Ridge, Christopher and Marcus for donating birthday books to the library. We hope you all had a very happy birthday.**

**Congratulations**

These children won a prize last week in the Playground raffle:
- Azariah, J3 for remembering her hat.
- Chantelle, J7 for picking up rubbish.
- Joanne, J4 for remembering her hat.
- Kaelin, J7 for picking up rubbish.
- Stevie, M17 for helping juniors with a problem.
- Brad, S12 for playing nicely.
- Athaliah, S14 for helping the teacher.

---

**MYKI—Don’t get caught short.**

**Important note to all public transport users:** From Monday 27 May 2013 the sale and top up of Myki cards commenced on metropolitan buses. A full fare costs $6. A concession, child or senior costs $3.

If a student purchases a Myki on board the bus for immediate travel they must also top up with Myki money at the same trip. **The student will then need to touch on their Myki for that trip.**

**Students with invalid Mykis or negative balance.** Any student who does not have a valid Myki shall be requested by the driver to purchase and top up a Myki on board and directed to a staffed railway station or the PTV call centre 1800 800 007 to resolve any issues with their defective card. If a student presents a Myki with a negative balance, the driver will request the holder to top up the Myki with sufficient money so it can be touched on for travel. A Myki which cannot be touched on for any reason is not valid for travel.

---

**Does your child suffer from any allergies?**

We love to share in birthday celebrations and it is lovely to enjoy a nice treat for student birthdays but please keep in mind, many students have allergies so please do not send in any food with traces of nuts. A reminder to parents of children who do have allergies, please ensure the classroom teacher is aware that your child has an allergy and you have discussed an Emergency Action Plan with the office staff.

**Certificate III in Business**

Are you looking to increase your Business skills to seek employment opportunities? Did you know that you may be eligible to complete a Certificate III in Business for free? This course will provide you with a range of well developed office, computer, business skills, understanding and knowledge on how to work effectively within the workplace. You will receive training sessions, training materials and resources and have access to a Toshiba notebook to support assessment requirements.

The Technology Institute of Victoria is offering this course to members of the school community who fit the eligibility criteria.

The courses begin at basic level and are FREE. You have a choice of day or evening classes.

We have had many responses to this opportunity but just need a few more to be able to hold the classes here at Coral Park for ease of venue for you. If you missed the flyer sent home, please collect one from the office or call and leave your details and we can post one home to you.
