Have you changed your address, medical details or phone numbers recently? If so, it is vital that you provide updated details to the school.
Prep Physical Education:
This term in Prep Physical Education we are learning about making contact. Contact with our feet and hands. Currently we are learning the skills of soccer and making sure we can use both our left foot and right foot to both dribble the ball and stop the ball. We will be moving onto making contact with our hands both with striking the ball using left and right hands as well as catching the ball using both left and right hands. The preps are so much fun to teach as their level of enthusiasm is infectious.
Cheers, Bill Hains

Read, Read, Read!
The skill of reading is so important, we need to do more of it. Come along and join Tony every Wednesday morning in the library for story time starting next week with Dr Seuss on the Loose! via Story Time Online. Students can sit and listen to the online story of the day or sit and read with a parent or on their own.

Reading time is every Wednesday morning in the library 8.30-8.50am.
You can bring your books for returning to the library and do new borrowing at the same time. We have so many new books in the library for you to choose from. Parents are welcome too.

Circle Time in Specialist Curriculum Activities

In Specialist Curriculum Activities (S.C.A) this year students in the juniors and middles have been participating in circle time activities. Students have focused on topics to discuss based on the KidsMatter principles that Coral Park is focusing on this year. Some of the topics for conversation are:

I sometimes feel jealous because …… I work best when …… I feel happy when …… I feel angry when ……. A goal I would like to achieve is ……. How do I feel when I put others down? How do my friends feel if I put them down? When do I feel tempted to do something I know is wrong?

Students have also been involved in creating a ‘circle web’ when they have passed a piece of string around the circle to each other with a complement or something they like about the next recipient of the string.

Lunchtime Clubs are available for our students throughout the week. Term 2 includes:
