Dear Parents,

We are excited to welcome a motivating assembly called The NED Show to our school. This school-wide character education program centres around a 45 minute assembly called The NED Show. NED is a loveable cartoon character whose name is an acronym for Never give up, Encourage others and Do your best.

Come along and see the NED Show, next Friday the 25th July in the MPC.

The show starts at 2.30pm.

All students will be watching, parents are invited to come along. It’s FREE!

At assembly next week students and teachers will be presented with ‘The NED Show’. We believe in kids and our goal is that every child will always strive to do his or her very best and never give up on themselves. The NED message of character building and never giving up is very powerful and will help build self-esteem in each student.

The show is presented by All for KIDZ Inc. An American company are the producers of The NED Show, an action packed inspirational 45 minute show involving amazing yo-yo tricks, humour, illusions, audience participation, and academic motivation.

The NED Show has now been seen by over 2.3 million children each year in the United States, England, Australia, and Canada. They have also performed at the White House 11 times and for thousands of children through Young Leaders programs. Check out www.thenedshow.com for a video clip and further information.

The school will continue to utilise resources from the show encouraging the messages inspired through the show. Promotional materials will be available after the show in the foyer of the MPC and from the school office throughout the following week. Promotional products include yo-yo’s with the NED Show message on them.

Parents are invited to come along and watch the show with students and teachers.
Parent Feedback

We would love to hear some feedback on our new Student Report format and our communication with you.

Matt, our ICT Coordinator has devised a brief survey to gain some feedback from you. We would be most grateful if you could complete this.

A BIG thank you to the 6 parents who have already found the link and completed the survey, a big Thumbs Up to you. There are three ways you can choose to complete the survey:

Visit the link http://questionpro.com/t/AK6XeZRKBM

OR

Find Coral Park Primary School on Facebook (https://www.facebook.com/pages/Coral-Park-Primary-School#!/pages/Coral-Park-Primary-School/206515486108802) to complete the survey

OR Access the survey using the QR code

We would really love some feedback, please take 5 minutes of your time to complete the survey.

Life Education Parent Information Session

Dear Parents

As part of our health education program this term all junior students are invited to take part in the Life Ed incursion. We are offering all parents (not just those of junior students) the opportunity to visit the Life Education mobile classroom, while it’s here at our school.

Have you ever considered the following?

What is my child learning in Life Education?
Have you seen inside the Life Education mobile classroom, or know of Harold?
What drug education is appropriate for primary school students?
Why do we have health and drug education?
How is health and drug education integrated into your school’s curriculum?

Want to know more? It’s FREE and gives you the chance to know what your child is learning about.

NOW IS YOUR CHANCE.

The Life Education Parent Session will be in the mobile classroom at our school (based in the junior school end car park on:

Date : Tuesday 5th August
TIME: 9.15 am

This year, all junior students are taking part in this program as an incursion. Next year we hope for all students to participate as a whole school program funded through our fundraising. However, we would love your feedback on this, so, if you can, please visit the mobile classroom here in Week 3 to find out more about what is on offer.

Notices for Junior students to attend the program have been sent home with today’s newsletter. Junior students will visit the mobile classroom between Tuesday 5th and Thursday 7th of August.
Congratulations

ATTENDANCE WINNERS

These children had the choice of winning a $5 lunch voucher or a $5 circus ticket in the last week of Term 2:

Cadbury Fundraiser

chocolates will arrive next week.

Thank you to our families for supporting this fundraiser. Notes were sent home last term to all families asking if they wished to receive a box of chocolates to sell or simply donate. Some families have chosen to donate $25 rather than take a box, we thank you immensely for your support and thank you to the families who will receive their box of chocolates to sell next week.

One box of chocolates will be sent home per family on Wednesday 23rd July (unless we have already received your note back with your donation).

Last time we did the Cadbury fundraiser we raised over $3600 to assist with the purchase of iPads for the school. Hopefully we will raise close to $5000 this year to go towards improving our outside play areas and the installation of an outside learning area.

A prize will be awarded to the top seller with all families who sell a box of chocolates receiving a raffle ticket per box sold to go into the draw for a variety of prizes. Thank you for your support.

Each box has 50 chocolate frogs to be sold for $1 each. The $50 needs to be returned to school as soon as possible, you can do this after selling all chocolates or send in the $50 and sell them at your leisure. All monies are due to be returned by Thursday 21st August.

Parent helpers are needed Tuesday morning to help sort and label the chocolates. Please meet in the staffroom at 9.00am if you are able to help out. Remember, many hands make light work, we would love your assistance.
Once a Week, Take a Peek
We have only been back 4 days and already head lice are out and about.
All families are asked to please check each child’s hair for head lice each Sunday before they return to school. Please treat immediately if an infestation is found. The incidence of head lice would reduce significantly if this quick check was undertaken weekly by all families.
So remember, Once a Week, Take a Peek!

Ensure your child is at school every day.
Every day counts and every minute in the classroom counts.
Arrive by 9 for optimal learning time.
NO excuses.

THUMBS UP to the families who are at school every day possible and on time. We think you are FANTASTIC!

Learning time begins at 9. Students are expected to be in classrooms by 8.55am NOT running in at 9.

Birthday Books
Thank you Rhylee, Monica, Chauncey, Rosdom and Katrina for donating birthday books to our library. We hope you had wonderful birthdays.

If you would like to donate a birthday book to the school, please see Linda in the library.
