Every Weekend  
A reminder to please check your child’s hair for head lice. Please report all cases of head lice to the office so we can alert other parents to check their child also so as to stop the problem from becoming worse.

Student Personal details: Thank you to the many parents who have already returned their updates of student personal details. Great work! This helps us keep all records updated. If you haven’t yet returned this (either with changes written on the forms or marked ‘all correct no changes needed’), then please do this by the end of tomorrow.

It is vitally important that we have your correct details in case of emergency or needing to contact you at all times.

1-2-3 MAGIC & Emotion Parent Course

Learn to manage difficult behaviour in children 2-12 years old

Learn:

♦ To engage your children’s cooperation by positively noticing and encouraging them
♦ To set clear expectations and help them develop frustration tolerance
♦ To help children’s brains to develop filters for behaving well
♦ To resolve family conflict quietly
♦ Some simple strategies to practise being a calm parent

The course is free for parents of enrolled students. For parents of students who are not enrolled at the school the registration fee is $12.

For further details and a registration form, please collect a flyer from the office.

Save The Date

Coral Park band will be performing at the Casey Cluster of Schools State of the Arts Festival Wednesday 12 August 2015 Concert Performances and Viewing of Art Works 7pm to 9 pm Rivergum Performing Arts Centre

This year the members of the school band have been learning to sing a variety of songs and play a variety of musical instruments. They have been learning to perform a number of songs. To complement this experience and extend their learning we have accepted an invitation to perform with eight other schools at the Casey Cluster of Schools – State of the Arts Festival (Music, Dance, Drama, Media and Visual Arts).

The school is contributing art works to display alongside other schools’ art. Details regarding tickets will be made available as soon as they are available.

Ross Tilley /Kelly Oakley.

Dear Mrs Gray

Do you like seeing students creating new things, do you like trying new foods? You know I think that you should make a special kids kitchen!

Building a kitchen just for kids would be a great idea because we all love food and I like making it too so why not have a special kitchen?

Kids would really enjoy coming to school if they know they will be able to make some yummy treats.

It will encourage kids to learn how to keep sanitary in the kitchen and also teach kids how to eat healthy.

Most kids are usually inside on their electronics so in replacement for exercise they can balance their diet and eat fresh and healthy.

Having decided a kids kitchen is because lots of kids just love food which will mean more children coming to school that can help attendance.

Knowing how to make food and knowing how to be safe around the kitchen can really help in their futures for emergencies or for fun.

This is a really extraordinary opportunity just for everyday life, it would be really great help.

Making a kitchen would help some of us with our homework by making treats with the class for home tasks, some people bring mouth-wathering treats.

Yours sincerely

Deeya.
**Icy-pole sales**

The Student Leaders have zooper doopers on sale at lunchtime each Monday to Thursday from the artroom kitchen. Bring your $1 and choose your flavour. Half zooper doopers can be purchased for 50c.

**TERM DATES 2015**

Term 3: 13 July to 18 September

Term 4: 5 October to 18 December

**Wet weather = we need spare clothes**

Of course the wet weather seems to bring puddles with it often causing children to find them and oops, fall in them!! Can junior parents please pack a spare change of clothes in their child’s bag just in case of accidents.

---

**Help Shape the Education State:**

The Department of Education and Training wants to hear from You.

The most important thing that we can do as a school community is to make sure we give each and every student a great education and a great start to life.

The Victorian Government has committed to making Victoria the Education State and has recently begun a consultation process – asking for us to share our ideas and experiences, our challenges and solutions – to help us improve our education system across the state.

This is an opportunity for all of us to have our say and play a role in shaping what our education system will look like in the years to come.

The best way to get involved is to go to educationstate.education.vic.gov.au where you can read the consultation papers, consider a response and join in the online conversations or register to attend one of the sessions running across the state. Have your say!
Prep Tours
Do you have a child beginning school in 2016? Enrolments are being taken now.
A tour is the best method to decide which school is right for your child. This provides the perfect opportunity for you and your child to see the school in operation and for you to ask many questions as you walk through.

If you have neighbours or family members who have not started looking around for a suitable school for their 2016 Prep child, please encourage them to contact us to come along for a tour.

A 2nd Prep information Evening will be held on Wednesday 29th July between 6-7.30pm for those who couldn’t make last terms session. Please contact the office to book in.

Out of School Hours Care
Session times:
Before SC - 6:30am-8:45am
After SC - 3:30pm-6:00pm

Birthday Books
Thank you to Sherwin, Lesley, Vera & Nathan for donating great new books to our library.
We hope you all had very happy birthdays.

Start collecting now!
You can collect Earn & Learn stickers whenever you spend $10 or more at any Woolworths Store. Place these on sticker sheets that can be collected from the school office or Woolworths stores. You will receive one sticker for every $10 you spend. Once you have completed a sticker sheet you can place them in a collection box, either at the school office or at your local Woolworths store. Stickers can be left at the office where the SLCs will ensure filled sticker sheets are placed in the box. Help us to collect lots of stickers to receive free resources for the school. Last years Earn & Learn program helped us to get our great Lego kits that are in the library, some books for the library and some balls for playtime use.
We are always after additional resources such as these so please start collecting now.
