2016 Prep Enrolments
Do you have a child beginning school in 2016? Enrolments are being taken now.
A tour is the best method to decide which school is right for your child. This provides the perfect opportunity for you and your child to see the school in operation and for you to ask many questions as you walk through.
Please call the school to book in for a tour.

Congratulations!
The winning house last week!
The Juniors have been working on descriptive writing. Here is some of their great work titled 'My Monster'.

My monster lives in the city. I like to fight with him and it likes to eat Riki Meat. It has spikes. It’s name is Godzilla.
By Mikey J1

My monster looks pink and big. She has green spots all over her and her name is Bell. She is a nice monster. My monster lives under my bed. She has a bed, a teddy bear, treasure and a pink seat. Under my bed is a lamp so there should be light. She also has a plant.
By Atifa J1

My monster looks scary with purple sharp spikes on its back. Her name is Spikly. She has 5 big red glowing eyes, her favourite food is meat, her teeth are green, it has poisonous green on each of her teeth. Her skin is light hazel. She is tiny but kind. Spikly has red hair. She has 5 legs and 5 hands.

The Victorian Premiers’ Reading Challenge is well under way and Coral Park is excited to see so many of our students engaged in reading and participating.

The Challenge is open to all Victorian children from birth to 16 years in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by September 14.

How many books have you read so far?
How many sponsors have you collected?

Remember the money raised will go towards buying more wonderful books for our class libraries.

Children from Prep to Year 2 are encouraged to read or ‘experience’ 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll.

For more information about the Victorian Premiers’ Reading Challenge and to view the booklists, visit: www.education.vic.gov.au/prc
Senior Sport:

On Friday the 31 July the Senior Students travelled to Lynbrook Primary School to play basketball, soccer, bat tennis, cricket and softball. It was a beautiful winter’s day and everyone had lots of fun.

Tomorrow is a bye week for us but on Friday 14th of August we will be hosting Lyndhurst Primary School. We look forward to seeing lots of parents and supporters down to cheer on all students.

Regards
Bill Hains
Interschool sports coordinator.

Prep Physical Education.

This term in prep physical education the students have been learning about basketball. They have been practicing how to bounce the ball with the left hand and right hand. How to pass the ball with a bounce and chest pass and also how to shoot the ball at a modified goal. Before commencing their basketball skills the students participate in a series of fun warm up games concentrating on developing their throwing skills, ball tracking skills and counting skills when stretching. The students are often very tired when they have finished a lesson. I enjoy their endless enthusiasm and their wonderful smiles when they are learning new skills.

Keep fit and have fun with your children in a park playing a ball game.

1-2-3 MAGIC & Emotion Parent Course

Learn to manage difficult behaviour in children 2-12 years old
