$336.15 was raised for the SES.

M15 won the attendance award and ride 2 school award.

On the last day of term 2 everyone came along in their pyjamas, and enjoyed watching a movie with some popcorn.

We also had a visit from the SES (State Emergency Service). Robin and Jessica spoke about what the SES do and we presented them with the donations from the day—$336.15. After school they let everyone have a look at their equipment and try chopping a log.

The SES are volunteers from all ages and backgrounds. The SES help out in all emergencies from floods, storms and fires to accidents and search and rescue.

In an emergency call 132 500. www.ses.vic.gov.au
