

Child Safe Standards Policy

Introduction

Coral Park Primary School firmly believes that it is everyone's responsibility- School Council, the Principal, staff, parents, volunteers, students, visitors and service providers to ensure children are safe.

This policy outlines how Coral Park Primary School will create and maintain a child safe school environment (this includes at school, on camps, excursions, online and other school events) and is prepared to protect children from abuse and neglect. It details procedures, measures and practice and was developed in accordance with Ministerial Order 870 – Child Safe Standards – Managing the Risk of Child Abuse in schools. In accordance with the definition of Child Abuse as defined in the ETRA 2006, child abuse is defined as:

- a) Any act committed against a child involving-
 - 1) a sexual offence; or
 - 2) an offence under section 49M(1) of the Crimes Act 1958; and
- b) The infliction on a child of-
 - 1) physical violence; or
 - 2) serious emotional or psychological harm; and
 - 3) the serious neglect of a child.

Coral Park Primary School has a culture of 'zero tolerance' for child abuse, physical violence or unsafe feelings. Child abuse can be defined as an act by parents or caregivers which endangers a child or young person's physical or emotional health or development. Child abuse can be a single incident, but usually takes place over time. In Victoria, under the Children Youth and Families Act 2005 a child or young person is a person under eighteen years of age. Child abuse can occur in the following ways:

- **Physical abuse** occurs when a child suffers or is likely to suffer significant harm from an injury inflicted by a child's parent or caregiver. The injury may be inflicted intentionally or may be the inadvertent consequence of physical punishment or physically aggressive treatment of a child. The injury may take the form of bruises, cuts, burns or fractures.
- **Sexual abuse** occurs when a person uses power or authority over a child to involve the child in sexual activity and the child's parent or caregiver has not protected the child. Physical force is sometimes involved. Child sexual abuse involves a wide range of sexual activity. It includes fondling of the child's genitals, masturbation, oral sex, vaginal or anal penetration by a penis, finger or other object, or exposure of the child to pornography.
- **Emotional Abuse** occurs when a child's parent or caregiver repeatedly rejects the child or uses threats to frighten the child. This may involve name calling, put downs or continual coldness from the parent or caregiver, to the extent that it significantly damages the child's physical, social, intellectual or emotional development.
- **Neglect** is the failure to provide the child with the basic necessities of life such as food, clothing, shelter, medical attention or supervision, to the extent that the child's health and development is, or is likely to be, significantly harmed. (Source: Department of Health and Human Services)

In response to the recommendations in 'Betrayal of Trust' Report, there are regulations surrounding child safety, which are underpinned by the Child Safe Standards and are reflected in this policy.

Mission

Coral Park Primary School is committed to providing a safe and inclusive learning environment that inspires students to exceed their potential and prepares them to be valued citizens of the wider community.

The achievement of our mission is supported through the encouragement, development and promotion of our school values

- **Respect**

- **Responsibility**
- **Resilience**
- **Determination**

Our values are explicitly taught to our students at every available opportunity. They are regularly discussed and promoted with students, staff and the school community. Not following or complying with our school values results in consequences that follow our school wide student behaviour management processes. These processes include: reminders, named pegs being moved through a step by step behaviour management protocols outline, time out in the classroom, time out in a neighbouring classroom, time out of the yard during recesses, withdrawal from the room or yard and/or suspension for higher level behaviours, e.g., fighting, refusing to follow explicit directions and inappropriate language. Positive consequences are widely used to encourage and promote the following of our values, e.g., verbal praise, affective statements, rewards, stickers, house points, etc.

Purpose

The purpose of this policy is to ensure that Coral Park Primary School:

- Has a Child Safe Standards Policy demonstrating commitment to child safety in the seven standards.
- Is compliant with Department of Education and Training (DET) and the Victorian Registration and Qualifications Authority (VRQA) policies and procedures, the Education and Training Reform Act 2006 and Ministerial Order No. 870.
- Develops the values and principles that will guide the school in developing policies and procedures to create and maintain a child safe school environment.
- Details the actions it will take to promote child safety.
- Supports, encourages and enables School Council, the Principal, school staff, parents and children to understand, identify, discuss and report child safety matters.
- Support or assist children who disclose child abuse, or are otherwise linked to suspected child abuse.

Implementation

- The Principal has the overall responsibility of implementing this policy, but may delegate certain roles to suitably qualified staff. Wellbeing leading teacher/s are responsible for the implementation and review of this policy. This policy will be reviewed at the beginning of each school year and ratified at the March school council meeting each year. If he/she is unavailable, this becomes the responsibility of the Assistant Principal.
- The school understands it has a shared responsibility for implementing the Child Safe Standards. Several external services providers engage with the school (e.g. Camp Australia -OHSC, Kelly Sports). The school understands that these organisations have their own regulatory body to ensure they meet the Child Safe Standards. The school will ensure that they have suitable qualifications and meet these standards.
- The Child Safe Standards and this policy will be communicated to the school community at least once a year in the following ways (also see Appendix 1):
 - **School Council-** brief/review of Child Safe Standards once a year and review of the policy as per school schedule
 - **Staff-** Briefing at the start of each school year and refresher at a staff meeting mid-year. New staff will have the Child Safe Standards included as part of their induction.
 - **Parents-** information will be included in the newsletter at the beginning of the year and reminders throughout the year. All information regarding the Child Safe Standards will be on the school website.
 - **Students-** As part of units of work through the year, staff will discuss with students issues of child safety and Prep and Junior students will complete the 'Helping Hand' activity with the classroom teacher as part of a buddy grade activity so middle and senior students are reminded whilst participating.

The school will implement the following minimum child safety standards as per Ministerial Order No. 870 in the following ways:

Standard 1- Strategies to embed an organisational culture of child safety, including thorough effective leadership arrangements

Coral Park Primary School will:

- Have goals/strategies in its Strategic Plan and Annual Implementation Plan (AIP) related to 'Positive Climate for Learning'.

- As part of the induction and mentoring of new staff share and discuss this policy.
- Provisions in the curriculum that help to promote a culturally sensitive, safe and inclusive environment for children, where children can discuss child safety issues. This includes but is not limited to using Respectful Relationships throughout the whole school.
- Use of Sentral throughout the school to keep a record of student welfare and safety issues. Highly confidential issues will be kept in a file in a Wellbeing Leading Teacher's Office and are made confidential on Sentral, only allowing Principal class access. Reports from SSSO professionals will be kept in a locked filing cabinet in the Assistant Principal's Office.

Standard 2- A child safe policy or statement of commitment to child safety

OUR COMMITMENT TO CHILD SAFETY

Coral Park is committed to child safety, we work to ensure students are safe, happy and empowered. We support and respect all children, as well as our staff and volunteers.

We are committed to the safety, participation and empowerment of all students. The school has a zero tolerance of child abuse. All allegations and safety concerns will be treated very seriously and consistently with the schools and DET policies and procedures.

All staff have both a legal and moral obligation to contact authorities when there is a reasonable belief that a student's safety is of concern in all school environments (physical and online). Coral Park is committed to preventing child abuse and identifying early risk factors and then working to reduce and remove these risks. The Duty of Care requirements are clearly acknowledged by all staff.

There are a number of robust recruitment practices that are in place for all staff and volunteers that work to reduce and remove the risk of child abuse occurring within our school. There are regular training sessions where we educate staff and volunteers on identifying child abuse risks.

Coral Park is committed to the cultural safety of Aboriginal and Torres Strait Islander children, the cultural safety of children from a culturally and/or linguistically diverse background, and to providing a safe environment for children with a disability and vulnerable children.

We have specific policies, procedures and training in place that support our leadership team, staff and volunteers to achieve these commitments.

- Coral Park Primary School has created this Child Safe Policy which will be approved by School Council and reviewed yearly, or as needed to comply with DET policy changes.
- The following school policies support the Child Safe Standards Policy:
 - Student Engagement and Well being
 - Duty of Care
 - Equal Opportunity
 - International Students Program
 - Mandatory Reporting
 - Visitors
- These policies are available on the school website to view (once reviewed).

LEGISLATIVE REQUIREMENT

Coral Park Primary School takes its legal responsibilities seriously, including:

- All Victorian Teachers have a legal responsibility to report incidents where children's safety is at risk. Victorian Government School employees are expected to follow the DET Mandatory Reporting policy which can be found at <https://www.education.vic.gov.au/school/principals/spag/safety/Pages/childprotectobligation.aspx>
- **Failure to disclose:** Reporting child sexual abuse is a community-wide responsibility. All adults in Victoria who have a reasonable belief that an adult has committed a sexual offence against a child under 16 have an obligation to report that information to the police and relevant authority including DHHS. Failure to disclose the information to the police is a criminal offence.
- **Failure to protect:** People of authority in our school will commit an offence if they know of a substantial risk of child sexual abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so. It is a criminal offence to fail to protect a child under the age of 16 from risk of sexual abuse.
- Any personnel who are **mandatory reporters** must comply with their duties and work with the Child Safety Officer to complete these duties. Fulfilling the roles and responsibilities contained in the procedure does not displace or discharge any other obligations that arise if a person reasonable believes that a child is at risk of abuse.

Standard 3- A code of conduct that establishes clear expectations for appropriate behaviour with children

- Coral Park Primary School has a Code of Conduct outlining expected behaviours for all community members (See Appendix 2). The Code of Conduct will be reviewed and discussed yearly.

- This is placed on the school intranet Sentral and on the school website. The Code of Conduct is created in conjunction with the VRQA Child Safe Standard 3 documentation (<https://www.vrqa.vic.gov.au/childsafes/Pages/resources.aspx>)

Standard 4- Screening, supervision, training and other human resource practices that reduce the risk of child abuse by new and existing personnel

At Coral Park Primary School we:

- Follow recruiting processes outlined by DET which adhere to the Child Safe Standards.
- During the application process assess the applicant's:

 - Have the referees observed the applicant managing the behaviour of a child and what did they notice?
 - That any written referee statements are authentic.
- Check if the applicant has any relevant experience working with children outside employment e.g. volunteering, tutoring or coaching?
- Ensure all teachers have a current VIT (Victorian Institute of Teaching) card. Through the VIT process teachers will undertake a police check (timing deemed by VIT).
- Keep a record of volunteers and have a copy of their Working with Children Check (WWCC). These WWCC records are kept and monitored by the school Receptionist with the assistance of the school Business Manager.
- Sight WWCC of contractors and other visitors who enter the school.
- Have visitors sign into the school at the office.

- Include child safety aspects as part of the parent information packs/sessions.

Standard 5- Processes for responding to and reporting suspected child abuse

- Coral Park Primary School has a Mandatory Reporting Policy outlining the school's response to suspected child abuse.
- All staff are trained yearly in this area.
- Staff should consult the Step by Step Guide to Making a Report to Child Protection or Child FIRST: http://www.eduweb.vic.gov.au/edulibrary/public/stuman/wellbeing/Flowchart_Mandatory_Reporting_Sep_2010.pdf to assist them with making a report. Each staff member is provided with a hardcopy of this document.
- As per the school Mandatory Reporting Policy :
 - All members of the Teaching Service who believe on reasonable grounds that a child or young person is in need of protection from physical injury or sexual abuse, must report their concerns to Department of Health and Human Services (DHHS) Child Protection.
 - All other school staff who believe on reasonable grounds that a child or young person is in need of protection or therapeutic treatment or have significant concerns, are encouraged to report their concerns to DHHS Child Protection, Victoria Police or Child FIRST.
 - **All adults** will be required to report to police if they know or reasonably believe that a sexual offence has been committed by an adult against a child under the age of 16. It will be a criminal offence to fail to comply with this obligation.
 - Staff are encouraged to keep their own notes and are required to report any concerns with the Wellbeing Officer or the leadership team so they can update their files.
- Once a report has been made to Child Protection, a Student Support Plan may be created with the wellbeing team and/or classroom teachers. This may include the student being referred to Student Support Services Officers or other wellbeing professionals and/or a SAFEMinds Safety Management plan may be created to support students through the emotional time.

Standard 6- Strategies to identify and reduce or remove the risk of abuse

At Coral Park Primary School we will:

- Create a risk assessment matrix (see Appendix 3) to be implemented within the school. The matrix will be created by the Wellbeing Leading Teacher and will reviewed yearly with the Child Safe Policy or as required.
- Implement a whole school staff development strategy to discuss individual standards of Child Safe Standards. (see Appendix 1).
- Monitor sick bay attendances and student absences regularly (at least monthly). Specific incidences or trends of concern are discussed and parents contacted.
- Have a Duty of Care Policy outlining supervision requirements for students at school activities in and out of the school and online.
- Ask for parent permission to use photographs or video of students for public forums e.g. newspapers, online, newsletters.
- Keep photos and videos of students on a secure network.
- Make provisions for 3 yard duty staff to be rostered on each recess and lunch, a first aid officer in the sick bay, a staff member on welfare, and staff in the library for inside activities.
- Ensure planned excursions and camps adhere to the Child Safe Standards.
- Keep a risk register as part of OHS requirements.
- Include Child Safe Standards in our risk registers for Camps and Excursions.
- Review policies after any incidents and make adjustments as necessary.
- Ensure provisions are made for staff training and professional development relating to child safety.

- Ensure our school grounds are safe for children. For example, all external doors and most storerooms have locks on the outside but can be opened from the inside so children cannot be trapped and all internal doors do not have locks so children can easily get out. Exit areas are kept clear and free from obstruction.

Standard 7- Strategies to promote the participation and empowerment of children

At Coral Park Primary School we:

- Display the school values- Respect, Responsibility, Resilience and Determination in all classrooms and weave these throughout learning in the school.
- Teach a dedicated Social Skills Program consistently throughout the school based on our school mission and values.

- Each year, prep and junior students will take part in the Helping Hand Activity with their middle and senior buddies. On each finger students write someone they can talk to if they have a problem or are upset. The thumb is the Principal. Child safety and understanding child abuse will be discussed during this session, appropriate to the year level of the child.
- Teach healthy and respectful relationships (including sexuality), resilience and child abuse awareness and prevention as part of the curriculum.
