Term 1 Issue 10, 6th April 2023

What a Term / Happy Easter

It has been a very busy term, Photo Day, Harmony Day, NAPLAN, Band Performances and of course, the most important aspect of our schooling life, an abundance of learning. Please take a break and do the things you and your children enjoy so that they can return to school in Term 2 fresh and ready to get back into their learning. I would like to take this opportunity to wish all our students, parents and staff a very Happy Easter and as always please be safe during the break.

Family Fun Night

It was wonderful to have the community be able to come in and attend our Family Fun Night. What a great night it was seeing all your smiling faces and being able to have some fun with us. We have missed being able to do this with you over recent years. Thank you so much for supporting us.

School Wide Positive Behaviour Support

We are pleased to announce Coral Park Primary School has achieved a Silver Level Award for our SWPBS Implementation. A sincere thank you to all our amazing staff and students for working so hard on displaying and acknowledging our School Values.

Principal's Reading Challenge

I know many students are fast approaching their 100 nights of reading. Remember you can continue to read during the holidays. I can't wait to see who will be knocking on my door next term to tell me they have reached their first milestone for the year.

Band

Our school band went on the road last Friday and performed at Beaconsfield Upper Primary School. It was a fabulous performance with the band playing 16 songs. They represented the school, themselves and their families brilliantly displaying all of the schools' values. Well done to all of the band members. Thank you to Mr M, James and Leanna for all their work and support in making this day happen.

To our fabulous staff

To our fabulous staff, thank you very much for all your hard work throughout Term 1. Your dedication to ensuring that the children in our school community get access to the best possible education is a credit to you. Have a fabulous break and well deserved rest.

Enjoy Life!

2023 Casey Student Leaders Reception

On Wednesday 29th March, our school captains and vice captains attended the 2023 Casey Student Leaders Reception. This is an annual reception across the City of Casey to celebrate the appointment of School Captains and Leaders. Leaders from each school were invited to attend the reception and were presented with a 2023 City of Casey Student Leaders lapel pin. Students heard from a range of speakers including Nathan Halls, Australia's #1 High School Motivational Speaker. His stories of overcoming adversity and disability at a young age to follow his dreams and achieve success have inspired hundreds of thousands of others to do the same. Nathan empowers young people to step into their own personal power, teaching them strategies and techniques to take responsibility for the results which are showing up in their world. A very inspiring day was had by all of our leaders who attended.

ANZAC DAY - 25th April

On Anzac Day, we recognize the courage, mateship, skill and perseverance of those who have served, fought, and given their lives in the military. On Anzac Day, we show love, honour and support for those who fought to enable freedom for people all over the world, but were not able to make it home. While Anzac Day coincides with the anniversary of the landing in Gallipoli, the day itself is not meant to be a commemoration of the event, but rather the qualities that Australia established for itself there.

ANZAC Day badges are available from the office for \$2. Proceeds from this appeal are used in welfare work carried out by the RSL for ex-service men, women and their families, who require assistance.

2023 PARENT CONTRIBUTIONS

A big "thank you" to the generous families who have already paid their \$100 Parent Contribution. To make your Parent Contribution, please phone the school, visit the office or make a direct deposit into the school bank account, including your child's name as a reference.

Our Family Fun Night on Tuesday was a wonderful opportunity for our school community to gather for an informal catch up and participate in some games and sports activities. Lots of people enjoyed a sausage in bread and it was great to see everyone enjoying the beautiful weather and having fun.

Talking about money

This week the seniors had a class **Talking about money**. The program is to help Australian students to be wiser about money for life, to be confident talking about money and making informed financial decisions.

In this session they learned about how to spend money wisely, and not spend it all at once. The grade 5/6s went through a series of activities with Jake, the money guy, about smart decisions, money's value, and how talking money with friends and family is important.

They also learned about H.E.A.R.D. which helps you talk to family and friend about money.

H – Hear don't just talk, E – Express your wants and needs, A – Ask questions, R – Respect the other person, and D – Disagree and say 'No' if you need to (Remember to do this respectfully).

This year we are excited to bring The Resilience Project (TRP) into our school community!

ABOUT THE PROGRAM

The Resilience Project is committed to **teaching positive mental health strategies** to prevent mental ill-health and **build young people's capacity to deal with adversity**.

We will be implementing their evidence-based Teaching and Learning Program throughout our classrooms, staffroom and school community.

Teachers and students will engage in weekly lessons and activities around the key principals of **Gratitude, Empathy, Mindfulness (GEM)** and **Emotional Literacy** to build resilience.

WHAT CAN BE DONE AT HOME?

To learn more about **The Resilience Project** and get involved from home, you can start exploring ideas, activities and resources which bring **Gratitude, Empathy and Mindfulness (GEM)** to life on **TRP@HOME**.

Canteen

The canteen is open each Thursday for snacks, lunch orders and over-the-counter sales. Thank you for ordering lunch for your child from the school canteen on Thursdays or allowing them money to buy a snack from school, rather than the milk bar or service station. Your support will help ensure the canteen remains open.

Art Therapy Group for Women who have experienced family violence

Art Therapy Group

Family violence is a traumatic experience. Sometimes we simply do not have words to express ourselves. That's where Art Therapy comes in. Ange Morgan is an art therapist experienced in working with people who have experienced family violence. Ange works to foster exploration, curiosity and enjoyment in arts based processes. No previous art experience needed, just you.

Wonder are turning
BREAD BAGS into
**PLAY EQUIPMENT
FOR SCHOOLS.**

Collect your bread
bags to help earn
prizes!

WHAT'S THIS ALL ABOUT?

In Australia, only 18%* of plastic packaging is recycled.

That's why we created **Wonder Recycling Rewards** - a fun and easy program for Aussie schools to recycle bread bags that might otherwise go to landfill, and earn rewards points to redeem on new sports equipment for their efforts. All the collected plastic will be used to create wonderful new things like school play equipment! **PLUS** all registered schools are in the draw to **WIN one of five exercise circuits** made from the recycled plastic we collect.

*Australian Packaging Covenant Organisation 2018-2019

Coral Park Primary is participating in the
“Wonder Recycling Rewards for schools”
to earn sports equipment.

Collect your **bread bags** (any brand) and put them
in the recycling box in Breakfast Club.

The more we recycle, the more equipment we can earn!
