Swimming

Last Friday I attended our first day of swimming. It was fabulous to see all the smiling faces and the students engaging with their swimming instructors learning how to swim and survive in the water. For many students, this was their first experience of being in a pool, and although slightly anxious they all did a wonderful job. Well done to all our staff who supported our students in getting to the pool and helping them to manage themselves when their lesson was over.

Our ART Show is coming

In week 10 of this term, we are holding our Art show. This will be a fabulous afternoon/ early evening event with your children's artwork on display. Our staff are getting involved and producing some special pieces for you to guess who they belong to. We are calling for any parents who would also like to contribute to the show with a piece of artwork you have created or would like to create. More information will be coming soon about how you can get involved.

NAPLAN

On Monday NAPLAN results for 2023 were released to schools. We will be sending home your child's results on Friday if they sat the test in Years 3 or 5. If you have any questions regarding your child's results, please contact your child's teacher as they will be happy to discuss them with you.

New signs

Last week the council installed new signs at gate one outside the school with regard to the rules of how the parking situation works. I know they have also been out, ensuring parents are doing the right thing and obeying the parking rules. Please make yourself familiar with the correct way to park when dropping off and picking up your children from school.

Item by S19 & 20 - All Welcome

BOOK CLUB

Scholastic Book Club brochures have been sent home last week.

Orders can be completed online, or forms together with cash can be sent to the school for processing. All orders need to be completed by Wednesday 26th July. Book Club is a great way to help your child develop an interest in books and a love of reading, which in turn will assist their vocabulary and literacy skills.

BEFORE SCHOOL DROP OFF

Whilst we love having our families involved in their children's learning and education, we respectfully ask that all parents have left their children's classrooms by 8.55am. It is important for teachers to be able to mark the attendance roll and settle their class for the day, ready to begin learning at 9am. Thank you for your understanding.

JUNIOR & MIDDLE SWIMMING

Our school swimming program continues tomorrow. Please remember to send your child to school wearing their bathers underneath their school uniform and don't forget underwear, a plastic bag for wet items and a towel.

SCHOOL WIDE POSITIVE

BEHAVIOUR SUPPORT (SWPBS).

At Parent Teacher Interviews this week, teachers spoke to parents about participating in our SWPBS Parent Survey. We would love to hear from our school community how you think we are going in this area.

If you have not already done so, this is your chance to give your opinion on how SWPBS is being done at CPPS.

Please use this QR code to have your say.

Thank you.

CPPS Wellbeing Team

Grade 2 Writing

At the end of Term 2, Grade 2 students worked on descriptions. We discussed using adjectives to create a picture in the reader's mind. For one lesson, students looked at the following image and used their five senses to describe – see, hear, feel, taste and touch.

The Forest

I can see the enchanting flowers and the trees. I can hear the beautiful wind blowing. I can feel the strong wind. I can smell the colourful flowers. I can taste the free, fresh river.

By Liana

The Forest

Sun, trees, dirt, grass. Birds chirping, soft breeze. I can hear someone walking and talking. I can feel the wind. I can smell the flowers,

By Milad

The Enchanting Forest

As I walk in the sun it is too bright. I can see the tall trees. I can hear the birds chirping. I can hear the waterfall. I can smell the wind.

By Manea

The Forest

I walk in the bright woods. I can taste water and burgers. I can see the scary trees and rocky path and water splashing. I can feel calm and peace and rocks. I can hear foxes, werewolves and rock throwing.

By Brandon

The Forest

As I watch the dark forest, I can see the black trees moving left and right. I am walking the rocky footpath. The sun is shining on my face. I hear the birds chirping and the trees moving. I smell the flowers; they smell like I am in fairyland.

By Sarah H.

The Enchanting Forest

As I walk in the sun, it is bright on my skin. I can smell the beautiful flowers on my nose. I can see the dark trees. I can hear the waterfall. I can hear the trees blowing in the wind.

By Anastasia

The Forest

As I walk in the dark forest, I can see the dark, tall trees. The forest makes me feel scared in the dark. The tall, dark trees are waving at me. I hear the animals rustling in the bushes. I can smell the fresh flowers next to the trees.

By John

The Forest

As I walk through the forest, I can see the enchanting things that it has. I see it is beautiful. I see the cool water splashing.

By Sonny

100 Days of Prep Celebration Day

Friday 28th July

The Prep students at Coral Park Primary School will be celebrating '100 Days of Prep.' To celebrate this occasion students are invited to dress up like they are 100 years old or in a creative way to show the number 100. They will participate in a variety of Literacy and Numeracy activities throughout the day based on the number 100 and will be making their own fairy bread as part of their writing activity.

Students were excited to be awarded with books and certificates at assembly in recognition of 100 Nights of Reading.

Birthday Books

Happy Birthday Lilly.

We hope you enjoyed your birthday celebrations.

Thank you for donating a book to our library.

SCHOOL WIDE POSITIVE BEHAVIOUR SUPPORT

School Wide Positive Behaviour Support (SWPBS) is a framework which we use across the whole school to model, acknowledge and reward positive behaviour. Everyone in the school community is aware of our behaviour expectations, as listed in our Behaviour Matrix, and using the SWPBS framework is an effective way of reducing negative and unwanted behaviour. By focussing on good behaviour choices, students are encouraged to gain attention by doing the correct thing, rather than getting attention for doing the wrong thing.

Students are given clear details of what positive behaviour looks like and there are posters and banners throughout the school as reminders of our school values and how to display them. Students choose a reward chart and gain stickers for positive behaviour and displaying school values, then when their chart is full of stickers, they can select a reward of their choice.

Congratulations to the following students who have demonstrated our school values and completed their reward charts...

Alizada	J6	Piradheep	M10	Naaz	M12
Muhammad	J6	Yusra	M11		
Sarah	J2	Chase	M11		
Levi	J1	Zoey	S16		
Beau	J1	Raeanne	S16
