Coral Park Re-branding

I am delighted to inform the Coral Park family that after 32 years of service to the community, we have decided that its time to give our wonderful school a revamp. Over the next five terms starting in Term 1, 2024 we will be working to update things at Coral Park. This will include our school colours our school logo, website and signage. We are very excited to include you in this process. Please engage with us in 2024, as we want your opinions, thoughts and support as we bring our school into a new era.

Assembly – Goodbye Mr Hains

Come along tomorrow and celebrate with us all of the fantastic learning that your children have been engaging in. We have a 'spooktacular' item from our band and a class performance not to be missed. We also celebrate the career of William Hains (Bill). After many years in education and working at Coral Park we will say goodbye to Bill and thank him for all his work as he moves into retirement.

Principal's Reading Challenge 2024

Next year we will be adding some challenges for students to complete to get extra bonus nights added to their reading total. The more in-depth the challenge the more bonus nights students will be able to receive. Keep reading the newsletter in the coming weeks for more information.

Congratulations to Hussain J7, Abid J6 and GJ J3, for 100 nights of reading.

Read under your blankets with a flashlight. Add 5 nights to your home reading.

Prep Enrolments and Transition Timeline for 2024

Prep enrolments are now being taken for 2024. Please ensure that you come and see us and enrol your eligible child for 2024 as soon as possible. This really helps us with our planning for next year.

OSHClub

OSHClub will be joining us for our Colour Run fundraiser. They will be here to answer all your questions and walk you through the enrolment process. Please come along and say hello. They are really keen to meet and talk to as many families as possible.

Enjoy Life!

Planning Day
NO STUDENTS TO ATTEND

The Coral Park Band travelled to Berwick Fields Primary School today to perform. They did an amazing job and all the students and staff at Berwick were thrilled to see our talented band showcase their talent.

Remembrance Day 11th November

Remembrance Day is a nationally recognised day of commemoration when we pause for one minute's silence to remember the servicemen and women who gave their lives in wars, conflicts & peace operations.

**Poppy badges are on sale at the office for \$2 each
and Poppy pins are \$1 each**

Proceeds appeal are used in the welfare carried out by the RSL for ex-service men, women and their families, who require assistance.

September to May
No Hat No Play

Remember your hat and water bottle each day.

Coral Park school hats are available from the office for \$10.

Coral Park Primary is a SunSmart school and is committed to ensuring our students and staff are protected from the harsh effects of the sun during the warmer months of September to May. **School hats need to be worn for all outside activities** to ensure protection from UV rays and **water bottles** need to be used to make sure students remain hydrated and ready to learn.

In grade two we are writing narratives. You need a SIZZLIN Start Like Bam! We have been describing characters, settings, problems and solutions. Made by Max and Dayne.

Going into the Door

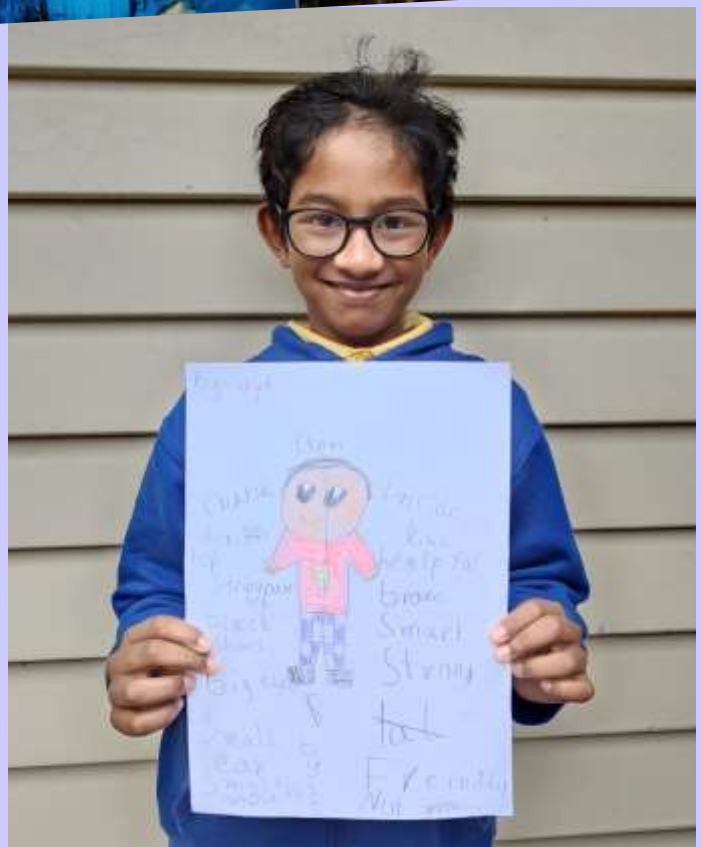

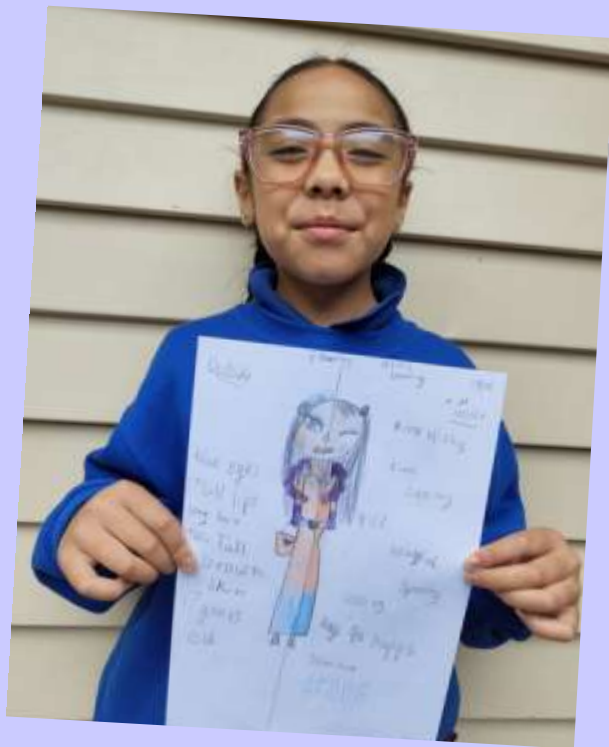

Bam! When Lily was walking back home from a friends house she suddenly saw a mysterious door on the highway. Lily was a teenager at 17 years old so she wasn't scared. She slowly walked inside the dark door covered in cobwebs. By Kinza

The Mysterious door

Clash, clang, boom went the pans, pots and spatula because the windows was open so air came inside. In cooking class there was a mysterious door that was never open. Me and my friends were more curious by the days past.

Grade 5 students have been creating their own picture story books this term. We found out the likes and interests of the P-2 students and created picture story books using this information. The students were able to share their incredible work with the P-2 students.

Ninja Warrior Program Overview

The Ninja Warrior competition has become a worldwide phenomenon. Their program creates a fun and engaging way to get fit and challenge the body. The courses aim to:

- Develop teamwork and communication
- Develop coordination and enhanced movements
- Improve focus and problem solving skills

TEAM BUILDING FOR SCHOOLS

Proactivity love the fact that they can bring people together and build relationships. After all, it is the ability to be able to work together with others that builds strong communities. The activities range from short problem solving activities, to station rotations that engage, excite and empower students. Activities include: agility courses, inflatable slides, giant ball etc.

RUGBY VIC SCHOOL PROGRAMS

GET INTO RUGBY

'Get Into Rugby' is a non-contact introduction to rugby union. 'Get Into Rugby' provides a great start for beginners (Year 2 to Year 8), focusing on basic rugby skills, (catch, pass, evasion) and includes game-based activities.

TOUCH 7s

'Touch 7s' is a non-contact form of rugby, suitable for beginners. 'Touch 7s' (Year 7 to Year 12) is easy to play and provides a safe, social, and exciting rugby experience that is guaranteed to get students moving and smiling.

RUGBY 7s

'Rugby 7s' introduces students to a fun, fast form of rugby through a mix of skills, modified match play and game practice. 'Rugby 7s' (Year 7 to Year 12) requires minimal contact to ensure students learn the game in a safe manner.

SESSION INFORMATION

- \$120 a session (Government or School Funded).
- 1 - 5 sessions per term.
- 45 - 60 min sessions.
- All equipment provided.

SAFE AROUND SCHOOLS

Active Travel – How to fit a helmet safely.

As a community, we always love seeing children being active by riding, scooting, or skating in our neighborhood.

It is important your child always wears a helmet while on a bike, scooter, or skateboard to ensure they are not seriously injured. Wearing a helmet reduces the risk of head injuries by up to 74%.

Here is the correct way to fasten your helmet.

- Ensure your child's helmet is approved and carries the Australian standard AS/NZS 2063, which means it has been safety approved, legal and meets standards.
- When helmet is on ensure the helmet sits 2 fingers widths above the eyebrows
- Helmet straps must be correctly adjusted with no twists. The straps should form a V shape around the ears – see picture.
- Once the buckle is fastened, ensure you can place 2 fingers under the chin strap.
- If the helmet moves out of position easily, then your helmet is too loose and must be adjusted – either your straps are too loose, or your helmet is not the correct size.

Helmet must be worn when riding:

- On roads and road-related areas
- On bike or shared paths in bike lanes
- In recreational parks
- In carparks
- On footpaths

This short video demonstrates how to fit your bicycle helmet correctly Take the time and watch this with your children <https://youtu.be/7yCNrC8RZDQ>
