Art Show

Our Art show is next Tuesday, come along and take a look at all of the fabulous art that your budding young Picassos have been hard at work creating. We will also be providing a free sausage sizzle on the night. So join us and take part in our fabulous community event and take on the challenge of trying to work out which sculpture belongs to which staff member.

Communication with your child's teacher

Open communication between school and home is a vital component of children's success at school. We encourage parents to communicate with their child's classroom teacher, however we remind parents that teachers are teaching from 8.55am. We ask that if you do need to see your child's teacher, please ensure you arrive at their classroom by 8.45am, otherwise you can make an appointment with them either through sending an email or messaging them on Seesaw. We respectfully request all parents have left their child's classroom by 8.55am so that learning can begin.

Reminder to Parents and Older siblings

Parents and older siblings are not permitted to approach other children within the schoolyard or outside the gate. If you have a concern regarding your child, the first point of call is to talk with your child's teacher to work out any problem. Please remember that all members of the community must act respectfully and responsibly when dealing with issues. There are policies that have been implemented by the State Government that in essence require all members of the community to act appropriately at all times. We are here to support you and your children so that all students can learn to the best of their ability in a safe and orderly environment.

End of Term Early Finish

Next week will see the end of another extremely busy term. I remind all parents that the school day will end at 2:15pm and not the regular 3:15pm. Please ensure that you have made the necessary arrangements to have your child picked up at the earlier time of 2:15pm.

Principal's Reading Challenge

This week we congratulate Adin J7 for achieving 100 nights of reading. We also congratulate Caitlyn J1 and Krish S19 for 200 nights of reading. Well done to all these fantastic readers. Remember you can continue reading during the term break.

Enjoy Life!

Congratulations to the winners of our Art Show badge design competition. It was wonderful to see so many creative designs which made it difficult to choose a winner from each year level...

FATHER'S DAY

Thank you to our wonderful Parent Club volunteers and helpers who organised and ran the Father's Day Stall this year. The students enjoyed being able to choose a gift for their dad to help them celebrate Father's Day.

LOST PROPERTY

We currently have lots of items of unnamed and unclaimed clothing. Please check our lost property cupboard to see if any of it belongs to your child. Also please make sure all items of clothing are labelled with your child's name so we can return it to them if they lose it.

SCHOOL UNIFORM

Please ensure your child comes to school wearing their school uniform in the school colours of royal blue and gold. Please see the office if you require assistance with school uniform, as all students are expected to be wearing royal blue jumpers and pants or shorts each day.

September to May

No Hat No Play

Remember your hat and water bottle each day.

Coral Park school hats are available from the office for \$10.

Coral Park Primary is a SunSmart school and is committed to ensuring our students and staff are protected from the harsh effects of the sun during the warmer months of September to May. **School hats need to be worn for all outside activities** to ensure protection from UV rays and **water bottles** need to be used to make sure students remain hydrated and ready to learn.

SCHOOL WIDE POSITIVE BEHAVIOUR SUPPORT

School Wide Positive Behaviour Support (SWPBS) is a framework which we use across the whole school to model, acknowledge and reward positive behaviour. Everyone in the school community is aware of our behaviour expectations, as listed in our Behaviour Matrix, and using the SWPBS framework is an effective way of reducing negative and unwanted behaviour. By focussing on good behaviour choices, students are encouraged to gain attention by doing the correct thing, rather than getting attention for doing the wrong thing.

Students are given clear details of what positive behaviour looks like and there are posters and banners throughout the school as reminders of our school values and how to display them. Students choose a reward chart and gain stickers for positive behaviour and displaying school values, then when their chart is full of stickers, they can select a reward of their choice.

Congratulations to the following students who have demonstrated our school values and completed their reward charts...

The Playground Craze is coming to Coral Park Primary School

When? Thursday 5th October

Where? MPC **Cost?** Free

The Playground Craze uses Positive Pop Music to encourage confidence, resilience and kindness in kids. The shows teach students to be safe and kind online.

These live performances engage students with important social-emotional skills, covering topics such as confidence, resilience, kindness, persistence, friendship and cooperation. The messages help students strengthen self-awareness and self-management of personal and social skills.

The Happiness Habit Prep - Year 4

Highlight Reel Years 5 & 6

resilience

riˈziliəns

noun

1. the capacity to recover quickly from difficulties; toughness.

When children are resilient, they are braver, more curious, more adaptable, and more able to extend their reach into the world. The great news is that resilience can be nurtured in all children.

Brainstorm Productions

Brainstorm Productions is coming to Coral Park Primary School

When? Wednesday 18th October **Where?** MPC

Who? Prep to Year 6 **Cost?** Free

A LIVE PERFORMANCE THAT EMPOWERS
STUDENTS TO BUILD POSITIVE CONNECTIONS
AND THRIVE IN THE DIGITAL WORLD.

This exciting theatre experience engages students in conversations about values, respect and responsibility, and inspires them to build safer and more positive online experiences.

When Zanna and Eddie arrive at coding camp, they have the opportunity to create an app that will make the internet safer for everyone. They embark on a magical journey into their device to find the missing piece of code.

Through a series of exciting challenges, Zanna and Eddie experience the power of empathy, respect, kindness and resilience. When they launch the app, they discover that children all over the world can use it to be assertive, responsible and safe online.
