Colour Run

Due to some inclement weather over the past couple of days our oval is very wet. Therefore, it is not able to be used on Friday for the colour run. We are rescheduling the colour run to next Tuesday 5th December. The weather forecast is predicting some sunshine over the weekend which will hopefully dry out our oval ready for a fantastic colour run on Tuesday.

Parent Behaviour

Can I remind all parents that the school has a value of respect, and we expect that all parents adhere to this when conducting any business before, during or after school. Abusive language is unacceptable as is approaching students other than your own or their family members. If for any reason you have an issue with a student or parent of Coral Park Primary School the correct and only response is to approach the school to help you resolve your issue. Please be mindful that you are the role model for your children and set the example that they will follow.

Year 6 Graduation

Next Thursday 7th December we will celebrate our 2023 Year 6 students' final year of primary school. Their Graduation Ceremony will be held in our MPC building starting at 5.30pm. We are looking forward to acknowledging the achievements of all our Year 6 students over their seven years of schooling.

2024

They say change is often as good as a holiday. Well in 2024 we will be making just a small change to the time our school gates will be open. Students will be able to access the school grounds from 8:30am and will need to proceed to the basketball courts where they will be supervised until 8:45am. At this time, they will still be supervised however they will then be able to move into their classrooms or other areas of the school grounds.

Principal's Reading Challenge

This week is a special one as we congratulate Ava Rose from S15 who is the first student to reach 300 nights of reading for 2023. This is an awesome achievement. She has now set herself a new goal for the rest of the term which I am positive she will reach.

Before and After School Care

It is with great pleasure that I announce that Liz Huggins has been appointed into the OSHClub coordinator position for 2024. Many of you will know Liz as she works in our library and has previously been the School Council President. She also runs playgroup out of the old hall. Liz will continue to support parents in playgroup and keep our library in order as she embarks on this new role in before and after school care.

Enjoy Life!

2024 CURRICULUM CONTRIBUTION (BOOKLIST)

Thank you to our wonderful families who have already paid the 2024 Curriculum Contribution for their children! We appreciate your prompt payment and your support.

Coral Park Primary School does not charge compulsory fees and relies on the generous contributions of families to be able to purchase resources to enhance our student curriculum and improve our great school.

We are asking families to make a contribution of \$100 per child.

Contributions can be made over the phone, using the payment form on the notice, to the office, or direct deposited into the school bank account.

School bank details are: Coral Park Primary School
BSB 063 250
Account Number 009 018 17

NOTICE REMINDERS

Please make sure you return all permission slips for the Year 2 Sleepover, as well as the Year 6 Graduation excursion. 2024 Year 6 top orders also need to be returned so your child doesn't miss out!

September to May

No Hat No Play

Remember your hat and water bottle each day.

Coral Park school hats are available from the office for \$10.

Coral Park Primary is a SunSmart school and is committed to ensuring our students and staff are protected from the harsh effects of the sun during the warmer months of September to May. **School hats need to be worn for all outside activities** to ensure protection from UV rays and **water bottles** need to be used to make sure students remain hydrated and ready to learn.

Students had a fabulous time last week when players from Melbourne United visited our school to run basketball clinics and they also had a game with some of our students.

Auslan in Term 4

This term in Auslan, we have had a focus on Nature. This has included learning all about different landforms, flora and fauna. Students are taught new signs through explicit teaching, various collaborative games and class challenges. One of our favourite games to play is Kahoot. Students log into the game through their iPads and play the game by guessing the sign shown on the screen. Another popular activity in Auslan is card matching and memory. This is where students practice matching the Auslan sign to a picture.

Students have also used Seesaw to record themselves signing various words, phrases and sentences. Here is a snapshot of some Coral Park Stars and their awesome Zoo Projects.

Prep students are very excited to be participating in the Henny Penny Hatching program. They have enjoyed observing the new chickens and are now eagerly waiting for some more of the eggs to hatch.

Congratulations to the following students who have demonstrated our school values and completed their reward charts...

The image displays three examples of SWPBS Behaviour Acknowledgement charts, each with a different background color: green, orange, and yellow. All charts feature the Coral Park Primary School logo at the top left. The title 'SWPBS Behaviour Acknowledgement' is centered at the top of each chart. The charts are organized into rows for different behaviors: Respectful, Responsible, Determined, and Resilient. Each row has a corresponding illustration of children and a grid of 10 squares for tracking.

- Green Chart:**
 - Row 1: RESPECTFUL (Illustration of two children shaking hands)
 - Row 2: RESPONSIBLE (Illustration of a child holding a blue bucket)
 - Row 3: DETERMINED (Illustration of a child standing on a stack of books)
 - Row 4: RESILIENT (Illustration of two children hugging)
- Orange Chart:**
 - Row 1: RESPECTFUL (Illustration of two children shaking hands)
 - Row 2: RESPONSIBLE (Illustration of a child holding a blue bucket)
 - Row 3: DETERMINED (Illustration of a child standing on a stack of books)
 - Row 4: RESILIENT (Illustration of two children hugging)
- Yellow Chart:**
