Thursday 29th Oct, 12:30

On Thursday 29th October all the students at Coral Park will be participating in a nation wide event – Music Count Us In song day. Students from right across the country will all be singing the song 'Gold' simultaneously. For us in Melbourne that means we will be singing at 12.30. If you would like to come and watch and/or participate come along on the day to the MPC from 12.00.

If you would like to listen to or learn the song it can be found on **You Tube** by searching:

"Music: Count Us In 2015 Lyric Video Marcia's Version".

The students have all been learning the song and are very excited to sing it on the day. They sound fabulous!!

Aurasma

Last term on Coral Star News you would have heard about all the great work the senior team were doing using the app Aurasma.

Aurasma is an app that uses Augmented Reality. The Senior Team have used the app to bring their group project posters to life!

If you want to come and check out our 'state of the art' work you need to follow the next steps;

- 1- Using a smart phone or iPad with internet connection, **download the Aurasma App (Don't worry its free)**
- 2- **Search for 'cppss12' then follow that account.**
- 3- Visit the corridor near the senior rooms and locate an item with a colored dot.
- 4- Using the Aurasma app scan the image and watch the video which will pop up over the poster.

We hope you enjoy our presentations on your next visit to the school.

The Zones of Regulation

Hello everyone, last week at assembly, M18 presented a performance in recognition of Mental Health Week.

At Coral Park we take care of our emotional wellbeing by using the Zones of Regulation to help us.

This means we learn about our feelings and use positive strategies to help us cope when we are feeling sad, nervous or angry.

There are four Zones that teach us about our feelings.

The Blue Zone is a rest area when we are feeling 'blue' or 'down'.

The Yellow Zone is a 'slow down' zone because we might be feeling over excited and nervous.

The Red Zone is a 'stop zone' when we need a break because we are too upset to think clearly.

The Green Zone is a 'go zone' ready to learn, play and get on with things.

Here is the song we sang about the Zones, we hope you enjoyed it!

Chorus:

What Zone are you in? What Zone are you in?

How your body feels

And what your face shows

Tells us the Zone you're in

Blue:

When you're in the Blue Zone

Your body moves so slow

You can feel sad, sick, or tired

And that's what your face will show

Chorus:

Green:

When you're in the Green Zone

Your body feels ready to go

You can feel happy or calm

And that's what your face will show

Chorus:

Yellow:

When you're in the Yellow

Zone

Your body feels wiggly

Your face will show

That you're excited, scared, or silly

Chorus:

Red:

When you're in the Red Zone

Your body feels tight

You feel mad, you might stomp or scream

Your face shows that you need to blow off some steam

Chorus:

What Zone are you in? What Zone are you in?

How your body feels

And what your face shows , Tells us the Zone you're in

October is Walk to School month

Walk to School month encourages primary school students to walk, ride or scoot to and from school throughout October to build healthy habits for life. Walking to school helps children get the physical activity they need each day to be healthy. Children and their parents are encouraged to start walking to and from school on the first day of term 4, and keep it up each school day throughout October.

Join our staff members each Friday at key points—Matt & Solange at Peppercorn Park and Mrs Gray at the bridge in the wetlands from 8.40am and walk or ride to school with us.

Parents can find out more and sign their child up online at www.walktoschool.vic.gov.au, or download the free Walk to School app to record each walk in October and be part of the state-wide effort.

On Friday 9 October Mikey from S13 represented the Hampton Park District in the 12/13 boys shot put. His excellent efforts in finishing 2nd have qualified him through to the regional finals where he will have the opportunity to make the State Finals if he finishes first or second. He has been working hard on his technique to improve the distance of his throws and I am very pleased with his efforts. We all wish him luck in his quest to make the State Finals on Thursday 15 October.
