

Transition Dates for 2021 Prep Students

Due to the COVID restrictions we have had to modify the transition program that was previously advertised, please see the new schedule outlined below.

We will be abiding by COVID rules by only having 1 teacher to 10 students per session, having 15min cleaning time between each session, no contact with other CPPS students and having hand sanitizing procedures in place before students enter and leave the transition area.

Transition for our 2021 Prep students will begin this term in two weeks' time. Transition is important in helping your child prepare for school and to meet new friends and teachers. Below is a list of transition dates where students are invited to attend **two allocated** sessions of 45mins each and then will meet their 2021 teacher on a third visit.

Please contact the office on 9702 8398 to be allocated your transition time.

Students must be signed in on arrival and signed out when leaving by a parent or guardian from the drop off and pick up location. We encourage you to book your child in to attend the allocated sessions to help them get ready for school.
