SAFE AROUND SCHOOLS

**Active November maybe over ... but keep going!
Continue your active travel journey to and from school.**

Our promotion of **Active November** maybe ending this week, however your active travel journey to and from school is only just starting!

Keep up the good work and continue to **walk, ride, scoot** to school, especially during these warmer months.

Remember - **Part way is OK!** If the walk to/from school from your home is too far, you can arrange to meet at a nearby park/reserve.

Catch up with you friends before school and meet at a central point to walk/ride/scoot together. This is not only great exercise but the connection with your friends strengthens.

- ✓ Increase physical activity
- ✓ Build confidence and life skills
- ✓ Increase academic performance
- ✓ Connect with family, friends & neighbours
- ✓ Contribute to a healthier environment
